

## Miss Josie

Josephine is a professional circus artist and dancer with over 15 years experience performing and teaching. She is a qualified dance, acrobatic and aerial arts teacher with experience in teaching all ages and abilities including circus skills such as contortion, tumbling and acrobatics. She is a champion dancer and acrobat as well as training champion competitors and students.

Her performing credits include working for well known music artists, circus companies, corporate events, theatre/cabaret shows and festivals. She also spent over 10 years touring and travelling around the world performing dance and circus arts for many household names and brands. She has now settled in the UK and built her reputation teaching circus artists, acrobats and dancers and working with the corporate events world specialising in bespoke, choreographed dance and circus shows. With many different skills under her belt, she is able to help the next generation of dancers become professional, confident and employable.
