25TH

ANNIVERSARY

WELCOME

It gives me great pleasure to welcome you to
our **25th Anniversary Show.**

Adagio performances showcase a culmination of hard work, dedication and pride from our fantastic pupils and staff. This year the programme we have put together is a reflection of the past 25 years presenting to you pieces that have highlighted shows for us, making special memories for over three thousand Adagio pupils along the way, as well as those you see on the stage today.

From the ages of two to the seniors and college students, there are varied selections of works truly representing the versatility, variety and talent of these young dancers.

This show encompasses a full and rich body of pieces allowing our pupils to experience the challenge of preparing for a performance, some stepping onto a stage for the very first time and wholeheartedly committing, as a "company", to present to you, our audience, Lets Dance 2023 .

THANK YOU

I would like to say a big thank you to you, the audience, for coming to support and encourage these young artists.

As always I must give special thanks to my teaching staff for their unfailing dedication and support. Thanks also goes to L'Rain Cuthbert and Tessa Balls for their beautiful costumes, Jessica Davies for being the best stage manager one could hope for. And of course to the most amazing team member anyone could wish for and who I'm so lucky to have by my side Mr Roger!

To all our Student helpers who selflessly give up their time every Saturday morning to help and guide various classes, not only are they a great help to the pupils within the classes they themselves have gained a great insight and experience in teaching the younger and next generation of Adagio
